Continuation of Substance of Interview including description of the general nature of what was discussed: The applicant representative was contacted to agree to the cancellation of claims 1-5, 10-17, and 21-44 due to the newly found reference 3,540,541 in order to place the case in condition for allowance. The applicant representative contacted the applicant and the applicant agreed to cancel claims 1-5, 10-17, and 21-44. However upon further review the examiner has determined that claims 18-20 as well as a number of the other claims appear to read on Yang 6,179,024 therefore the application is not allowable. The application has been found to be non-compliant and therefore a notice of non-compliant amendment has been attached to this interview summary. The applicant is encouraged upon receipt of the non-compliant to contact the examiner. . .
